

SYNERGY TRACK

Quick ● Easy ● Efficient

If your mail looked like this

You would capture **100%**
of your postage & courier recoverables.

DESIGNED SPECIFICALLY FOR LAW FIRMS

The process of capturing postage and courier recoverables is very labour intensive and inefficient, without the proper tool.

*"Installation and implementation was easy with LMS's assistance.
The return on investment was less than 6 weeks from time of deployment."*

Fulton & Company - Kamloops, BC

Quick → **SYNERGY TRACK** installation and start up takes less than 10 minutes to be up and running.

EASY → **SYNERGY TRACK** integrates with your existing envelope macros to convert file numbers to trackable bar codes.

Efficient → **SYNERGY TRACK** utilizes the JANAM scanner

- instantly increases consistency and simplifying of tasks
- accurately capture up to 20 pieces per minute
- touch screen and dedicated buttons for easy use
- 'charge amount' feature for unique and non-common rates
- displays each scanned piece and amount
- One touch data upload to PC plus auto back up

Registered Mail

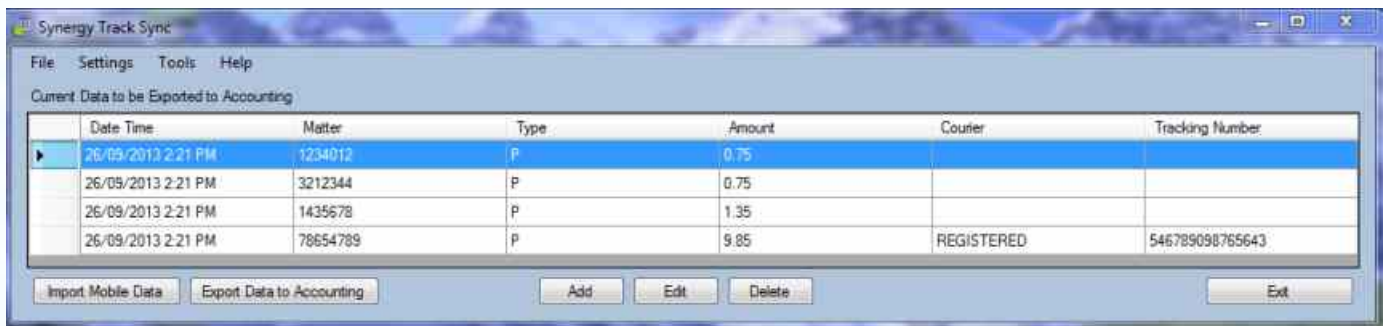

- ▶ Eliminates hand written forms
- ▶ Request page with instructions
- ▶ Complete in 30 seconds or less with 3 scans and decal application
- ▶ Tracking link automatically emailed to the originating sender
- ▶ Digital backup of receipt verification enables retrieval at any future date

ACCOUNTING DEPARTMENT A DREAM COME TRUE

- Accurate capture of file numbers and amounts, eliminating potential mistakes
- Works with ANY billing program and ANY General Ledger coding in your office:
PC LAW - THOMPSON ELITE - ADERANT - MCS OPEN - ESILAW - JURIS - and more!

Import Mobile Data Export Data to Accounting Add Edit Delete Exit

- Can be set to emulate current systems like COPI TRAK - EQUI TRACK - BILL BACK
- The accounting interface window allows for data review and editing
- Standard in all **SYNERGY LEGAL SUITE** programs, **SYNERGY TRACK** recognizes exception pricing for negotiated contracts and using pre-determined exclusions, eliminating payment delays

Postal rates are rapidly increasing!

Recently, 6% in the US and 20% in Canada. This is a continuing trend.

It is more important now more than ever to take action:

-  **streamline your systems**
-  **reduce labour expenses**
-  **recover lost revenues**
